

May 2017

Dear Student,

On behalf of Wolfram Research, congratulations on your participation in the 2017 American Regions Math League! We are pleased to support this competition by offering you a complimentary year of both Mathematica Student Edition and WolframAlpha Pro.

To claim your Wolfram products please complete the form here:

<http://www.wolfram.com/sponsorshiporderform/>

Please use "ARML59WPR2017" as both the name of your event and screencast code in the form. Please note that this award expires on October 15th 2017 and your award request must be submitted by that date. Prizes are non-transferrable and may only be used by the eligible recipients of this letter.

The Wolfram High School Summer Camp is a project-oriented camp for talented high-school students, introducing them to cutting-edge programming, computational thinking, and innovative technology. The camp is a unique opportunity for entrepreneurial and STEM-minded students to learn how to develop and explore science and technology. To sign up for Summer 2018 registration announcements visit:
